**Fayette County's Oldest
and Only Family Owned
Funeral Home**

Carl J. Mowell & Son Funeral Home, Inc. was established in 1964 by C.J. Mowell, Jr. and his father, Carl J. Mowell Sr., in an effort to serve Fayette County and the surrounding areas. We have facilities in Fayetteville and Peachtree City to serve our community. The third generation now continues the traditions of quality, service, and dedication to the families we serve.

At Carl J. Mowell & Son Funeral Home, it has always been our policy to tailor our services and charges to meet the needs of those we serve. Adjustments are made when items are declined or not needed. We are proud of the fact that we have tried to reflect our cost to provide service fairly and in an understandable manner. A careful and periodic review of our costs helps us to accurately reflect in our charges the staff time involved or facilities utilized. To this end, we have included, where necessary, a brief explanation of the charges given.

Although we constantly try to find ways to reduce the funeral costs to families, we do not sacrifice the quality of our service or compromise the professionalism of our staff. We have made innovative alternatives available and constantly strive to extend our service through educational programs and post-service assistance for those we serve.
